Sandoval Sporting Range is accepting 2022 memberships and renewals. I've enclosed an application for your convenience or an application may be printed from our website, sandovalsportingrange.com, or an application may be picked up at our range sign-in box, or call me with your credit card information. Be certain your application is completed legibly and signed.

As most of you have seen, we've made major improvements to our range and there is more work to be done.

We will probably restart the "Action Pistol" and possibly the "Wild Bunch Action" matches this spring if the ammo and reloading component availability improves.

Sandoval Sporting Range cannot exist without rules and the rules are useless if they are not enforced. Your membership may be terminated, and you banned from Sandoval Shooting Range property for not following our rules. So, please...**Read them carefully**. And leave your shooting range better than you found it.

Our quarterly members' meetings are scheduled for the 2nd Wednesday of February, May, August and November at 7 pm at the clubhouse. Our annual election will be on February 9, 2022, at 7 pm. Your application for 2022 membership must be received no later than February 2, 2022, to be eligible to attend and/or participate in our annual election.

Please call with questions or concerns. Thank you for your membership.
